<b>ACCESSORIES</b>	With Rubber Pad, base plate(60x100)mm for rubber block pad(36x95)mm	With Rubber Pad
<b>PAD IMAGE</b>		

## **Straight Line Sander (70x444)mm**

This has power-generating dual-piston design, which avoids stalling when sanding more difficult surface.

Can be used with sandpaper or scouring pads. Effective for large smooth surface sanding.

# Straight Line Sander (57x100)mm

Low Noise, Low vibration, Strong power  
and High Efficiency.

Double piston alignment which acts as  
special double-action machinery reducing  
nose and vibration. Operator feels more  
comfortable handling the tool over long  
period of time.
